

MANITOBA SUPERHORSE 50/50

February, 2015

Thank you for your time & interest,

The Manitoba Superhorse 50/50 Sale & Futurity has been around for twenty five years. Our association was started in 1991 and has become Canada's richest 2 year old Futurity! The planning is underway for the 2015 season. We would like to ask you to once again consider supporting us in 2015 - our silver anniversary event. We truly appreciate your past support of our annual event.

Our event is held every year at the very modern Keystone Center in Brandon, Manitoba at the Westoba Agricultural Center of Excellence arena. Our event will be held this year on October 23th & 24th. The MB Superhorse event is part of the huge "Cowtown Stampede" weekend & contributes to being one of Brandon's leading retail weekends; due to the influx of the multitude of competitors & the mass of spectators that follow the weekend's many agricultural based events.

The MB Superhorse weekend is a momentous 2-fold event – featuring both a world class weanling foal auction and the 2-day judging of the prestigious MB Superhorse 2 yr old futurity, which showcases a \$25-\$30,000. payout to the "top-ten". The weanlings offered for sale represent the cream of the crop from 20 plus Manitoba Consignors. Only weanlings selling in this sale have the eligibility to compete two years later at the MB Superhorse 2 yr old Futurity.

Our Association strives to promote fair play, fun competition and safety. We have developed a set of rules and guidelines to follow and elected a board of directors to oversee the event. We enforce safety guidelines for humans and horses at our event. The concept of the Superhorse Organization is to promote and enhance the versatility and quality of today's young horses.

The Manitoba Superhorse 50/50 is a success story unparalleled in western Canada. Its success has been dependent upon the support of the breeders who bring their good weanlings to the sale each fall and give half the selling price back to the futurity pot, as well as, the support of the buyers who pack the stands each fall as they bid on the weanling they think will come back win the two year old Futurity. The Manitoba Superhorse 50/50 Futurity has been a phenomenon in the horse industry with the futurity pot growing to make it the richest 2 yr old futurity in Canada.
